SUMMARY

Recent graduate with a strong foundation in web development, skilled in HTML, CSS, and JavaScript. Proficient in building responsive and visually appealing websites using React.js and Bootstrap. And basic knowledge of Php, node.js, express.js and MySQL, MongoDB. I specialize in making websites look great on any device. I'm detail-oriented, good at solving problems, and enjoy working with others to create awesome web experiences.

EDUCATION

Vishwa Vinayak degree college | Keonjhar, Odisha
B.sc Computer Science | 2024

INTERNSHIP

Easy Technologies Pvt.Ltd | Odisha, Keonjhar
Web Design Intern | 05/2023 - 12/2023

- Designed and developed responsive websites using HTML, CSS, and JavaScript.
- Implemented interactive elements and features with Bootstrap.
- Collaborated with design and development teams to translate mockups into functional websites.
- Optimized website performance for faster load times and improved user experience.

SKILLS

- HTML, CSS, JavaScript, PHP, Node.JS, MySQL, MongoDB
- **Frameworks/Libraries:** Express.js, React.js, Bootstrap
- **Web Design:** Proficient in designing responsive and user-friendly interfaces
- **Tools:** GitHub, Photoshop
- **Additional Skills:** Good at solving problems, pay close attention to details, work well alone or with others.

PROJECTS

Ecommerce website

- Developed a responsive shopping website frontend using React.js, featuring product listings, categories, and a user-friendly interface.
- Implemented state management using React's useState and useEffect hooks for efficient data handling and component updates.
- Designed and structured components for modularity and reusability, enhancing maintainability of the codebase.
- Utilized React Router for navigation between different sections of the website.
- Incorporated Bootstrap for responsive design, ensuring optimal display on various screen sizes and devices.

Portfolio

- Designed and developed a responsive portfolio website using React.js and Bootstrap.
- Created a modern and professional UI to showcase personal projects, skills, and achievements.
- Implemented smooth navigation using React Router for seamless browsing between different sections.
- Integrated animations and transitions to enhance user interaction and engagement.
- Ensured cross-browser compatibility and responsive design for optimal performance across various devices.

OBJECTIVE

I am a recent Computer Science graduate skilled in web designing and developing. I am eager to join a team where I can use my technical abilities to contribute effectively and continue learning in web development.
